W.R. Kinsmen Entertain Boys Band National Kinsmen Week Celebrated Across Canada

The Association of Kinsmen Clubs of Canada has announced that National Kinsmen Week will be observed from May 28 to June 2 this year. In its 33 years of operation, this is the first time that a National Kinsmen Week has been officially established. Several ceremonies and activities in every club from coast to coast, are marking this special event.

A dinner meeting in the Silver Moon on Monday night, honouring the White Rock Boys Band was a special feature put on by the local club, President Wm. Derpak welcomed local businessmen and Rasmussen outlined activities of the band since its inception last year. RCMP Officer, Sergeant A. R. Foster was guest speaker.

CLUB HISTORY

The local Kinsmen Club, the eighth new one formed in B.C., received its charter at the Peace Portal Golf Club on Wednesday, September 29, 1944 from C.E. Alton of Vancouver, past

district governor of District 5. Kinsmen from Vancouver, North and West Vancouver, New Westminster, Ladner, Chilliwack, Salmon Arm and Port Moody attended. District Governor K. Grimmett and District Treasurer Harold K. Manuel, both of Chilliwack, installed the officers of the new club.

J. T. Brown, Reeve of Surrey at that time, and Reeve Alex Hope of Langley were special guests.

Kinsmen were then working on the Halloween Shell-Out for the Milk for Britain Fund.

CHARTER MEMBERS

Local men enrolled as Charter members on that occasion were: Frank Woolard, Loughy Matheson, David Boyle, Jim Swanson, Gordon Lowers, Mac Green, Murray Sanford, Greg. Cook, Ralph Leard, Sid Sanders, Dick Warman, Ormsby Lee, Lorne Pravit, Dennis James, Johnny Christopherson, Les Cole, Archie Anderson, Reece Temblett, Jack McMillan.

Garbage Collection Improved— New Truck Bought

A new Hell truck for garbage collection has just been purchased by the municipality, Public Utilities Head, C. H. Harvie, told the Semiahmoo Sun on Wednesday.

Driven by Harry Everall the new truck went into operation on Monday, May 28. It operates in the neighbourhood of \$11,000 and is the only one of its kind in the municipality, Mr. Harvie said.

"While the new truck cannot pick up odds and ends of lumber or large wooden boxes as the old one could, it is a big improvement in many other ways," he said, pointing out that it is of the packer type so that loose paper and refuse cannot get blown from it about the streets. All garbage is kept under cover.

Reclamation work by sanitary fill is continuing in Semiahmoo Park area, Mr. Harvie said. Eventually the whole area from Campbell River Road to the river will be filled in and the park boundaries greatly extended.

Possibility of garbage collec-

tion for some parts of Ocean Park were foreseen by the Public Utilities head who stated that such a service would only cost the small household approximately \$5.00 per year.

House Damaged By Run-away Car

The home and garden of Mr. I. Harris, 938 Maple Street, were damaged to the extent of \$100 by a run-away car last Friday morning.

The car was owned by Edward Desmarais, of 17329 Bess Road, Surrey. Faulty brakes seemed to be the cause of the runaway. The 1961 Hillman backed down the hill on Maple Street and barely missed Mr. Harris's car parked in the driveway.

The Desmarais car was a total wreck.

Sunnyside Road Paving Wins Approval

Ward 5 programme of work for 1956 was approved by Council on Monday and was set at \$36,572.

Hoove pointed out this is being handicapped this year by a heavy expenditure of re-construction of the Campbell River fill from Bayly Road to the King George Highway. He also pointed out it was desirable that Sunnyside Road from Coast Meridian to Pacific Highway be paved as requested by a delegation as it is a major artery in the municipal road system.

A recommendation that \$500 be made available from Ward 7 and \$5000 from general ward be applied to Ward 5 for Sunnyside paving was approved. The provincial government

\$15,000 grant was divided equally among the wards and the remaining \$1000 was allocated to the Sunnyside paving project. Coun. Aubrey Stevens donated \$1000 of his government grant to this project; while Coun. W. H. Johnson and Coun. H. A. Stewart each gave \$142 towards it.

The Municipal Manager was authorized to re-invest all By-law and Reserve funds which will not be required for commitments over the next three months.

It was pointed out that earnings from these investments had substantially increased over the past few months and the last sales were offered at approximately 29 per cent.

W.R. Should Have An "Over 90" Club

Hale and hearty in spite of having reached nongenerational status, another White Rock resident is proof that there must be something magical about the local climate.

Mr. W. T. Ash of Columbia Ave., who has been a resident of White Rock for over thirty years, celebrated his 90th birthday on May 16. Many friends in White Rock and from out of town from as far away as Saskatchewan, called with gifts and cards to congratulate Mr. Ash.

The staff of the White Rock Hospital sent a lovely birthday cake which was enjoyed by the many friends present.

Mr. Ash has one hobby which is a well-known treat to his White Rock friends who benefit from the lovely flowers so generously shared from his garden.

Check Shows Letter Slots Up To 80%, Says Postmaster

A check last week revealed that the number of homes with slots or receptacles ready for house-to-house mail delivery is now over 80%. Postmaster Don Munro has revealed. This figure includes those who have reported that they will be using their Rural Route Box as a receptacle, said Mr. Munro.

"Quite a number of persons have advised us that they have receptacles but have not mounted them for one reason or another. These cannot be counted until they are mounted for use. If a householder is awaiting a structural alteration he should mount a receptacle in a temporary location for the meantime," the Postmaster said.

"The remaining 9% required are asked to comply as soon as possible. Following a 90% reading."

Rotarians' Tourney Set For Peace Portal

A date to remember for all Rotarian golfers is Friday, June 15, when the Spring Golf Tournament of the club, sponsored by the Vancouver Rotary, will be held at Peace Portal.

Golfing time will be 2 p.m. to 6 p.m., followed by a Fellowship period and dinner at 7 p.m. Prizes galore and a promise of grand sport are being offered to all members who enter the tourney.

White Rock Beach Clean-up Day Set For Sunday, June 24

The White Rock Jaycee committee under the chairmanship of Vic Kerr and Len Parker have gone to work and planned a bigger and better clean-up for 1956. Date set is Sunday, June 24.

So far the Jaycees have received the utmost co-operation from all people they have contacted. The White Rock Jaycees also plan to have two log-clearing days previous to the beach clean-up day. These will be Sunday, June 10 and Sunday, June 17.

"Anyone with equipment such as trailers to pull logs and power saws or just plain muscle will be cordially welcomed on these Sundays to assist the Jaycees in this project," said Vic Kerr.

The following people have generously donated their time and equipment for the Beach Clean-up Day: Bulldozers, Ed. Werk; Gerson's Bulldozing; Newton; Magee Bulldozing; Whalley; Beusclink Bulldozing; King George Highway; Humphrey's Bulldozing; King George Highway; Rod Green, Scott Rd. Three others are also expected," said the Jaycee Beach Clean-up Chairman. Trucks offering to help are Hallam and Montgom-

ery; Marv Wahl; Frank Fix; Harry Davis; O. Gabriel, Hall's Prairie, and Barney Goodlett. Loaders include Fred Bray, Barney Goodlett and Lou Rogers. Stan McConchie has agreed to stand by with his repair equipment, and Art Bourassa, Shell Oil Distributor, has given gas and Diesel oil.

"Help us to Help you have a Clean Beach," is the slogan of this year's Beach Clean-up campaign.

Calling All Local Beauties To Miss White Rock Contest

Headed by J.C. Chairman John (Robbie) Johnson, assisted by Mrs. Jack Todd, the 1956 Sea Festival Miss White Rock contest is getting ready to go into high gear.

Wanted are all local beauties near the 18 year mark to enter the really big event of the two-day Sea Festival of this resort town, said Mr. Robinson.

A Miss White Rock Ball is being planned for early in July in the Silver Moon at which all candidates for the coveted crown will be honoured guests. A committee is being set up to take charge of the gala affair, said the chairman.

SPONSORSHIP SOUGHT

"Application forms will be sent out this week to all clubs and organizations in White Rock asking for their co-operation in sponsoring candidates," said Mr. Robinson. "We are expecting a whole-hearted response as in other years."

The lucky girl chosen to reign over the two day Festival, July 20 and 21, will again enter the PNE as Miss White Rock. Last

year's beauty queen, Miss Connie Whittle, was the first Miss White Rock to do so.

Mr. Robinson emphasized that any girl wishing to become a candidate for the 1956 crown has only to get in touch with the J.C. Committee in charge of the contest or call Mrs. Jack Todd and sponsorship will be arranged for her.

1955 CANDIDATES

Last year's candidates and sponsors were: Danna Kinnaird, Miss Nightingale, Hospital Auxiliary candidate, whose chaperon was Mrs. V. A. McPherson; former Auxiliary President, Elizabeth Beasley, Miss Yacht Club; Donna Hughes, Miss Cooney Island; Lillian McDonnell, Miss Flame, sponsored by the White Rock Fire Department; Arlene Theriault, Miss Todd's Diner; Elizabeth Proctor, White Rock Swimming Club candidate, and Connie Whittle, Miss Silver Moon. Local Jaycees were in charge of the contest assisted by Mrs. Jack Todd, official escort for the girls.

Local Thespians Off To Nanaimo Dramatic Finals

Twenty members of the local players' dramatic club have been leaving White Rock by various routes these days on their way to Nanaimo to take part in the One-Act Play Festival in the Island City, running May 30, 31 and June 1 and 2 in the Nanaimo High School Auditorium.

Franklin Johnson is directing

"Family Album" Noel Coward's comedy which won the Macabbee Shield as the best of the 1956 Greater Vancouver and Lower Mainland One-Act Play Festival. Assistant producer is Felice Mitchell.

Taking part in the local entry are: Brian Lane, Barbara Weston, Elizabeth McKie, Geoffrey Theobald, Lorraine Ames, John Brighton, Wynn Tetrault, Guy Weston and Punch Mitchell. Neil Primrose is stage manager. A Lilwall and Charlotte Johnson are in charge of properties and costumes are being handled by Enid Saunders and Margaret Primrose.

Adjudicators will be Miss Dorothy Somerset and Mr. Ray-

mond Whitehouse of Vancouver. Franklin Johnson will also take part in a drama workshop panel on June 1. Sydney Risk of Vancouver is chairman of the panel, entitled "Rehearsing the Play."

The White Rock Players have won the B.C. Championships award for the past two years and are again putting forth their best effort for a "third in a row" win.

Back from taking a leading role in the Vancouver Little Theatre's "Darkness at Noon" entry in the Canadian finals in Sherbrooke, Quebec, Franklin Johnson is very modest about the radio comments on his work in the part of the main character, Rubashov, the prisoner. Specially mentioned by adjudicator Madame Rosay the local director's portrayal was praised in a nation-wide broadcast on CBC which was heard with pride in his home-town, White Rock.

Dr. Hogg Chairs Church Fellowship Committee

A Fellowship dinner, the first ever to be held in White Rock, is being planned by the United Church. Dr. R. J. A. Hogg is general chairman of the committee. Mrs. M. B. Sanford, President of the Church's W.A. is in charge of all arrangements. Mrs. L. K. Sully is heading the hostess committee, assisted by Mrs. J. R. Sinclair and Mrs. Frank Pratt. Date of

the dinner, the purpose of which is to give all people interested an opportunity to understand the need for expansion the church is experiencing, is Wednesday, June 6, at 6.30. The place is the Silver Moon. At least 600 are expected to attend from White Rock and surrounding districts. All members and prospective members and parents of Sunday School children and any others who use the services of the United Church are invited to attend.

Teeing Off At Peace Portal

By CHUCK ARNOLD

MANY PEOPLE have asked me, what is there about this game called golf? In answer may I present a summary as written by D. R. Forgan:

GOLF IS A SCIENCE, a study of a lifetime, in which you may exhaust yourself, but never your subject. It is a contest, a duel or a melee, calling for courage, skill, strategy and self-control. It is a test of temper, a trial of honour, a revealer of character. It affords a chance to play the man and act the gentleman. It means going into God's out-of-doors, getting close to nature, fresh air, exercise, a sweeping away of mental cobwebs, genuine re-

creation of the tired tissues. It is a cure for care, an antidote to worry. It includes companionship with friends, social intercourse, opportunities for courtesy, kindness and generosity to an opponent. It promotes not only physical health but moral force.

COMMITTEE CHAIRMEN are asked to attend a special meeting at the Club Room, Friday, June 1, 5 p.m.

SATURDAY SOCIAL. Our Entertainment Committee, Vic Lawn and Bert McAdam, have announced a club social for Saturday, June 2. All members please reserve the date. Guests welcome.

Sacred Auxiliary Ask Aid for Widows

A resolution from the White Rock Social Credit W.A., asking the Federal Government to grant a pension to widows of 60 who have been left destitute through the death of their husband, has gone to Ottawa, Mrs. T. Irwin has reported.

The resolution which has been forwarded to George Hahn, M.P., asks that the age for receiving this assistance should be lowered from the present 65.

Women specially in need of the pension at the earlier age are those who still have children whose education has not been completed, the resolution pointed out.

Health Unit To Meet

The quarterly meeting of the Boundary Union Board of Health will be held in the Cloverdale Health Centre at 2 p.m., Wednesday, June 6.

Guides To Picnic In Peace Arch Park

The annual picnic of the White Rock Guide Committee will be held at the Canadian Kitchen, Peace Arch Park, June 18. Members are asked to catch the noon bus. A Pot Luck luncheon will be served.

One thousand tickets have been printed for the raffle of a lovely Historical Quilt originated by Mrs. Constance Cox, Russell Ave. Minor finishing is still required before the quilt can be displayed as shown on CBC's televised Almanac programme. Date of the showing will be announced.

At the regular monthly meeting of the group committee held at the home of Mrs. E. Hadden, Pacific Ave., members turned in their complete children's articles which is part of the 20 article project undertaken by Guide mothers of the district. The project is aimed to assist in needy cases in Lebanon.

SEMI-HI NOTES

By ANNE STANFORTH

ROSIE ROTHE has returned from an "Adventure in Citizenship," her trip to Ottawa sponsored by Rotary Clubs throughout Canada. Rosie was one of 180 Canadian students who witnessed Parliamentary procedure in the capital city.

THE FOUR DAYS IN OTTAWA consisted of one meal daily at the Chateau Laurier, with speeches from Mr. George Drew, Mr. M. J. Coldwell and Mr. Stuart Garson. Rosie was quite disappointed at the short time allowed to witness Parliament in Session. This shortage of time was due to the pipeline discussion which filled the galleries with spectators other than the 185 students. Mrs. Hahn, member for this riding, took Rosie on a tour of the Parliament buildings.

THE STUDENTS ALSO LISTENED TO A CASE in the Supreme Court. Rosie was intrigued by the Archives where she saw personal belongings of Sir John A. MacDonald, Isaac Brock, Champlain, and other great men in Canadian history. The Federal District Commissioner gave a luncheon for the students, a tour of Ottawa and Hull and a dance at the Chateau Laurier. The students were taken to Government House where they were given a welcoming talk by the Governor-General, Mr. Vincent Massey.

Mr. MacGregor, Elson was head of the Citizenship Committee of the Ottawa Rotary Club and he had a great deal to do with the arrangements for the trip to Ottawa. Rosie says she is extremely grateful to the White Rock Rotary Club for making it possible for her to have this trip which showed her the importance and honour of Canadian Citizenship.

STUDENTS' COUNCIL EXECUTIVE for '66 and '67 will be: President, Herby Fader; vice-president, Fern Walker; secretary, Anne Stanforth; treasurer, Marilyn Davey; and sports representative, Jim Coyne.

Campaign speeches were given in the gym on the afternoon of May 24. The executive which has done such a terrific job for this year is: Keith Gordon, president; Dave Fraser, vice-president; Donna Kinnsaid, secretary; Dorothy Haskins, treasurer; and Jack Brown, sports representative.

THE GIRLS HI-Y also had elections last week for the executive of next year. Members of the executive will be: President, Janice Pugsley; vice-president, Pat Ward; secretary, Judy Mayers; and treasurer, Lois Sharpe.

The resigning executive should be congratulated on the wonderful success of the HI-Y year. It is as follows: Sumi Morisawa, president; Darlene Sands, vice-president; Marg Johnson, secretary; and Judy Mayers, treasurer.

Special commendation goes to Mrs. Coggin, our HI-Y advisor, who has helped the club to no end this year.

June 8 is an important date to remember. The graduating ceremonies will be staged that evening in the school gymnasium. Further details will be given next week. Tomorrow night the graduating class is having their annual dinner banquet and dance at the Tara.

Black Ball Ferries Double Service

Effective May 18, Black Ball Ferries, Ltd., will double ferry service between Vancouver and the Sechart Peninsula with the addition of its fast, new vessel, the SS. Smoka — formerly known as the Scotian. The ship's new name is a British Columbian Indian word meaning "blue heron" and was given the vessel in line with Black Ball's policy of using authentic Indian names for its ferries.

The 400-passenger Smoka was recently adapted for its new route after a 7,268-mile-long tow—thought to be the longest in marine history—from Halifax, Nova Scotia, through the Panama Canal, up the Pacific Coast to Vancouver.

Kinsmen Celebrate First National Week

National Kinsmen Week, a week set aside by 10,000 young Canadians in recognition of Community Service work performed by Canada's "young men's service clubs"—Kinsmen—is being marked from May 28th to June 2.

During this week the Canadian public is asked to formally recognize these "young men of good character," who may be professional men, salaried men, wage-earners or students. These men early in life, are giving to community services on their own time, and developing a sense of business and moral ethics and public responsibility while still in the spring of life.

Any young man of good character may become a Kinsman on the approval of a local club to which he has been invited by some Kinsman of his acquaintance. He must be somewhere between 21 and 40 years of age. He must be able to produce a modest membership fee, usually around 15 dollars a year. He must be prepared to attend all meetings. If he somehow misses three meetings in a row—that's all, sir.

A Kinsman may travel to any part of Canada with the assurance that not too far away is a Kinsmen club much like the one at home. He may attend its meetings where he will learn that other young Canadians have the same community problems he has at home.

In White Rock the Kinsmen can proudly point to several outstanding projects on behalf of community betterment. When their group was first formed in 1944 they began at once on a Halloween Shell-Out Campaign for the Milk for Britain fund.

Since that date their projects have included: polo drives; blood clinics; grass seed for the ball park; the present library quarters; support for dental clinics and the building of the White Rock Hospital as well as backing such community organizations as the Boy Scouts and the Boys Band.

Perhaps no other group of men in a community has so many meetings to attend; so many duties to perform; so many committees to work on; nor so much fun doing all these things as a Kinsman.

Started in a small way in Hamilton in 1920, Kinsmen clubs now number 305 with over 10,000 members all across Canada.

May this first National Kinsmen Week see the organization go on to even greater work, living up to their motto "The Communities' Greatest Need."

A Padre In Print—A Lesson In Civil Defence

There is an ancient hostelry at Bray England. It is called the "Hind's Head" hotel. Over its great fireplace are carved these words: "Fear knocked at the door. Faith answered. No one was there."

A singular sentiment, when you come to think of it, to find in a tavern. Yet Christ was born in the stable of an inn. Naturally as the wearer of a "dog-dollar" I have no cause to quarrel with truth no matter where it is found.

Applied to one's personal life, that legend can be the vehicle of freedom from besetting anxieties.

But I don't think that Civil Defence will use it as a motto. Like the Boy Scouts, they believe in being prepared to meet the most frightful eventualities of this still uncertain world.

The trouble is that they are having great difficulty getting this gospel over to the people. We are in a state of Defence seriously. Too many people are swallowing too many grains of salt.

I was one of them. Last Tuesday night, I was invited by the Deputy Civil Defence Co-ordinator for the province to visit the Provincial Civil Defence Centre.

Perhaps I expected to see a few dedicated citizens running around with little tin buckets, pumping furiously with stirrup pumps and squirting water all over the place.

I say "perhaps" because my mind formed only a vague picture of what I might expect to see.

Immediately I walked through the doors to the control room, I was ashamed of myself for being so ignorant, so naive, and so superior.

These people are not playing games. They are in dead earnest for they know that it can happen here!

As I sat inconspicuously at the back of the room, I watched the different departments—intelligence, personnel, transportation—communications—go to work on an exercise.

An "H" bomb had exploded in the upper reaches of the Fraser canyon, cutting the railways and injuring many people—this, by the way, in Civil Defence phraseology was called an "incident"—and Abbottford had called for help. What could Victoria do about it?

It was all on paper but it was also painfully real. So far as this person is concerned, I'll reserve my laughter for the cartoon on the next double feature programme I see.

Rev. William Hills in the Victoria Daily Colonist.

Community Profile

H. C. Cooke—Elder Statesman of Pharmacy
By C.M.A.

A man who has been going about quietly doing a great deal more than his share in community work has just been nominated one of Canada's elder statesmen in pharmacy. H. C. Cooke, who makes his home with his daughter and son-in-law, Mr. and Mrs. C. B. Bricklebank, on Semiahmoo Ave., recently had the honour of being selected as the seventh oldest practicing pharmacist in Canada. An honour roll published by the National Drug to mark the golden anniversary of the company contains a picture of the local druggist, who still practices his profession in Hilltop Drugs.

"DOC" COOKE

The old adage "a rolling stone gathers no moss" is only a partial truth for it says nothing of the wisdom and experience which travelling and living in a variety of places is bound to accumulate. And Mr. Cooke, as evidenced in his character and life, is a powerful example of the value of keeping on the move. In more than one town or city he has left a most definite mark.

Of none of these places of residence is that more true than it is of Hope, where H.C. practised before coming to White Rock four years ago.

In many communities during the war years there was always a special need for some one with medical knowledge for doctors were often tragically scarce. Hope was a typical example of such doctorless villages. But Hope was fortunate for it had an excellent first-aid man in Mr. H. C. Cooke who had learned his first-aid the hard way in Rossland a generation before. In the booming mining days in the interior town, H.C. was an apprentice druggist in a doctor's office. Here he garnered some sound fundamentals in medical practice along with a top rating in first aid. It was well for the loggers and lumbermen of Hope, B.C., that he did. The increased demand which war conditions brought for lumber boosted more than pay-rolls in the little mountain-enclosed village. It boosted industrial accidents, too. Instead of the usual spring-time job of plucking wood ticks from the scalps of wriggling children "Doc" Cooke found himself called on to dress gaping axe cuts and smashed bones. This is easily understandable when it is realized that the nearest doctor at that time was 36 miles away in Chilliwack.

MATERNITY CASE, TOO
His days and nights soon became so filled with such jobs that he could be seen at any hour hurrying along with his first aid kit. That is how he earned the affectionate title "Doc."

Peak of the little "Doctor's" career was the safe delivery of a healthy baby. The mother simply could not make it to the Chilliwack Hospital on time and, as H.C. says with a twinkle when he is queried on this experience, "It was a case of have to. I felt pretty shaky at the time but mother and infant came through well."

In fact many a resident of Hope today owes his life to the

quick action and treatment given them by the local druggist who for a long time even paid for all expenses out of his own pocket.

EVER A ROAMER

To get back to that tendency to roam, which fortunately for White Rock brought Mr. Cooke to live in our midst. He was born in Bruce County, Ontario, about two miles from Hanover. After serving a three year apprenticeship he moved to Toronto and later went west to Rossland for a year.

Attendance at the Ontario College of Pharmacy came next and he graduated with honours in 1905 with a Ph.M.B. degree.

Other moves included a year in Greenwood, B.C., followed by a return to Rossland and finally the acceptance of a post with the Owl Drug Company in San Francisco. Here Mr. Cooke was in charge of the firm's very large prescription department. Later he became head dispenser, a position he held until the catastrophic earthquake and fire which laid the Californian city in ruins in 1906. A move back to his native Ontario was followed by a return to Oakland, California, and from there to Los Angeles. Here he finally opened his own drug store, the Parkview Pharmacy, which he operated for three years.

Alberta was to be the pharmaceutical wanderer's next field of operation and Mr. Cooke lived at different times in Edmonton, Wetaskiwin and Bruc, Alta. In 1932 he came to Vancouver, and, entering once more into business on his own account, bought out R. G. Stewart in Hope.

COMMUNITY WORKER
In his new field Mr. Cooke took a most active interest in all community work just as he had in other towns or cities where he had resided. It was in Hope that his first-aid work brought him the well-deserved title of "Doctor."

The list of H. C. Cooke's interests is a long one, and some of them have kept him busy in White Rock. Always active in the Anglican Church he was at one time Superintendent of the Wetaskiwin Anglican Sunday School. He was also Chairman of the Alberta town's school board and took a leading part in Kiwanian circles.

Though he may be taking life a bit more easily since coming to live in the relaxing atmosphere of White Rock, Mr. Cooke is still active in lodge work and is Rector's Warden for the Church of the Holy Trinity.

QUICK CANADIAN FACTS
Stand by for a whopping American tourist invasion this year, if U.S. predictions come true, says The Financial Post. Yank travellers will spend about \$1.7 billions abroad, about \$510 millions of it in Canada, or more than 50 per cent over last year.

Canada will get the second biggest share, just 8 per cent behind all European countries combined.

Latest Census figures show Canada has some 3,953 Scout Groups, an increase of 258 in the past year. Affiliations and 1950 totals (with 1954 figures in parentheses) follow: Anglican 560 (580); Baptist 120 (120); Hebrew 28 (26); Latter Day Saints 49 (46); Lutheran 45 (40); Presbyterian 171 (171); Roman Catholic 666 (661); Salvation Army 95 (95); United 597 (544); Other denominations 34 (34); Canadian Legion 99 (99); Community 988 (934); Handicapped 20 (17); School 68 (68); Service Clubs 219 (217); Army 7 (1); RCAF 7 (5); Miscellaneous 173 (172).

The COMMON ROUND A.J.P.

GAGLIARDI GOULASH may be a strong term to use regarding our inadequate highways, but I have a sneaking idea many lower mainland residents will agree with the editor who let the phrase rip from his pen last week. No doubt he was trying to express the frustrations of thousands of motorists who last week attempted to get back to their homes via our present into-city highways. I took part in a similar "crawl" as I came through Blaine and the Douglas Customs on Monday, May 21. It is all very well to admonish people to stay home on holiday weekends. Many of us can only get away from the routine of our hard work-a-day jobs on such occasions as the celebration of a Great Queen's natal day.

GRANTED MR. GAGLIARDI has some quite inspired plans for future highways, tunnels and bridges. The ones so badly needed here to get traffic across the Fraser River have been a awfully long time in the planning. How much longer in the execution and construction I hate to think.

AFTER ALL as the irate editor pointed out, over 75 per cent of the travelling and tax-paying public live in the Lower Mainland area so badly served with traffic facilities. How many equally frustrated tourists and first time visitors to B.C. get caught in such traffic snarls as a thought I also hate to contemplate.

IF IT IS TO TAKE two and

one half more years to complete the Deas Island tunnel there are going to be a lot more boiling tempers and boiling engines on every holiday weekend along the Trans-Canada and King George Highways. As for the plans for the former highway most people will agree with West Westminster's Bill Mott that it should be re-planned to cross the Fraser at Port Mann, and not at Deas Island as Premier Bennett is reported to have suggested.

This and That

PEACE
In the quietness and stillness of the heart,
God speaks to one and all;
So in the quietness of your room,
Sit down, sit still and ponder,
On things of God, of things above.

Of Jesus and His tenderness,
Of Jesus and His Love.
The world is wide; these things seem small.
They may seem nothing, but they are ALL.
White Rock. M.N.W.

EVENING THE SCORE
A country doctor in northern Ontario left his ancient Model-T Ford in front of the village drug store and on his return found several of the youths who customarily loitered there making jokes at the old car's expense. As he climbed up into the well-worn driver's seat the doctor inspected the group carefully then leaned out and said: "The car's all right, boys—it's paid for. You"—and the doctor, looked deliberately from one boy to another—"are not!" — The Reader's Digest.

Artificial Colouring of Oranges cause Cancer?

Ottawa News Letter

Dear Friends:

It may be that my constituents are under the impression that everything that is done in the House of Commons at this time has to do with the Gas Pipe Line Bill. Such is not the case. On the contrary, there is other business heard and done.

Recently I had occasion to ask a series of questions in respect to oranges and their use for marmalade if colour has been added to the skins. This question was prompted by the fact that I note practically all oranges available in this part of Canada are Florida oranges, which by nature are green when ripe—so growers use a form of artificial colouring to give them eye appeal.

The answers to my questions were that a coal tar colour substance known as red X-O was used, and its suitability for use in foods is now under investigation. In the light of recent statements by some medical authorities that certain coal tar substances are being considered as cancerous. I feel it was necessary to pursue the matter further. I asked the Minister of National Health and Welfare whether he would consider advising the public to the effect that orange peels so coloured possibly should not be used for the purpose of making marmalade until the results of the investigation have been made known.

His reply carried little assurance, but indicated that his technical officers advise him that the evidence they have does not justify notifying the public to this effect—but he assured the House "that the matter is being pursued." It is my hope that the use of the colour will be found non-injurious to the body.

Otherwise may I say to you that it is much "hotter" in the House of Commons these days than it is outside.

Best wishes.

Sincerely,

GEORGE HAHN.

M.P. for New Westminster.

On The Bookshelf

ALASKA'S BACK DOOR, by B. F. Ederer. There has been a spate of books recently about the north and each one seems to attract more readers. The most recent is the story of an American dentist who followed the MacKenzie river from Edmonton to Alkavik and then travelled across the mountains to Alaska.

B. F. Ederer tells of his experiences in this well-written suspense story. The author is

settled now in California, but his book proves that the spirit of enterprise and adventure can still produce exciting experience for those who like to search. Most readers will enjoy reading about them and may find themselves wishing they had nerve enough to do the unexpected. Perhaps many people are not the conformists they believe they are and secretly long for just a real experience as author Ederer describes.

KEEP WHITE ROCK TIDY!

As I travel along the main street of this town I am shocked at the rubbish so many throw down. Cartons, from cigarettes, candies and gum. The small grocers' trays on which fish and chips come. Yet, can we blame the people, if not we should. Any box, peel or basket for rubbish is found? Under the leaves place cartons along. And note the effect on most of the throng. Most people like to keep things trim and neat. So surely they would be that way on the street. Hilltop.

Legion L.A. To Present 25 Year Pins

Three members of the Ladies' Auxiliary to the Canadian Legion, Branch No. 8, will be specially honoured on Tuesday, June 6. On that date at a general meeting of the L.A. Mrs. Ella Lilwall, Mrs. Doris Harrison and Mrs. Alice Phillips, will be presented with 25 year membership pins. All members of the Ladies' Auxiliary are asked to attend this meeting before the summer recess and help make this momentous occasion a pleasant memory for the faithful members being honoured.

RETURN TO CALGARY

Mr. and Mrs. Harold Shupe and children, Diana and Norman, returned to Calgary after spending 12 days with Mrs. Shupe's mother, Mrs. K. Church on Marine Drive. The visitors enjoyed the beautiful weather and sunshine immensely and took back a good tan.

FROM CAULFIELD

Miss E. F. Powell, Ocean Park Road, will have the pleasure of the company of Miss M. M. Chappell of Caulfield, West Vancouver, at the end of May. Miss Chappell has lived in Caulfield for 30 years and her many friends in White Rock will be glad to know she is coming to reside here permanently.

CELEBRATES BIRTHDAY

A party was given by Mrs. Ray Graham, Best Road, to celebrate her daughter Wilma's fifth birthday on May 22. Present were Patsy and Bobby Brown, Karine Faulk, Billy Rutledge, Barbara Burns, Harry Evans, Leslie Howard, Robin Thew, Colin and Paul Benoit, and Wilma's brother and sister, Michael and Sharon.

HOME FROM CALIFORNIA

Mr. and Mrs. G. A. Caldwell, Prospect Ave. have just returned from a seven week vacation in California. They sailed on a Dutch freighter from Vancouver to San Francisco, then travelled to Oakland to visit their daughter and son-in-law, Mr. and Mrs. R. H. Johnson. Rotarians and Caledonians as well as innumerable friends, welcome "Geordie and Mrs. Geordie" home again to White Rock circles where their musical talents are so greatly appreciated.

OCEAN PARK GUEST

Miss Margaret Monteith of Vancouver, is a guest at the home of Mrs. Gladys Roberts, Marine Drive.

RETURN TO WHITE ROCK
Mr. and Mrs. A. R. Reusch who have been residing on King George Highway, have returned to their former White Rock residence at 14613 Washington Ave.

FROM CASTLEGAR

Dr. G. A. (Arthur) MacDonald of Castlegar was a visitor in White Rock last week when he came to call on Mr. and Mrs. A. P. Atkinson at the Semiahmoo Sun office. Dr. MacDonald, a cousin of Mrs. William A. Mackay, who passed away in the Kelowna Hospital on April 30, formerly practised in Yorkton, Saskatchewan. While in White Rock he also called on Mr. and Mrs. A. R. Reusch, Saskatchewan friends of long standing.

RETURNS HOME

Mrs. G. B. Brock, Victoria Ave., returned home Friday after holidaying in Toronto, Calgary and Edmonton.

PERFECT SCORE

Mr. Charles Pedersen whose home is in the Federal Building, had the good fortune to score a perfect cribbage hand of 29 while playing the game this past week with Mr. W. Bengt of Parker Street.

W.R.A.S.A. Meeting

A meeting of the WRASA will be held on Thursday, May 31 at the home of Mrs. Ruth Johnson, Washington Ave. at 8 p.m. More contestants for Sea Queen are invited to be present. To date only two contestants, Sharon Powell and Patsy Beasley, have entered the 1966 race for the Sea Queen crown.

Wick-Rowe Nuptials Held in Colebrook

A quiet ceremony in Colebrook United Church united in marriage Violet Leona Rowe, daughter of Mr. and Mrs. Richard Rowe of Westernman Road, and Orvil Wick, son of Mr. and Mrs. Fred Wick of Port Mann. Rev. Frank Hardy, former Minister in Colebrook, officiated at the double-ring ceremony. The bride who was attended by her sister, Mrs. Fred Pre-mack as matron of honour, Miss Eva Timbery was bridesmaid, and Sheila King, a foster sister of the bride was flower girl.

The bride chose a white crinoline gown of Chantilly lace and net over tulle, on which the high neck was trimmed with seed pearls, and a chapel length veil. She carried a white prayer book crested with a gardenia and Stephanotis. The matron of honour and bridesmaid were gowned in matching bolero dresses of yellow and turquoise nylon and net, and carried small bouquets of carnations. The little flower girl wore a short yellow nylon dress and carried a posy of carnations and pink rosebuds. Billy Negrave, friend of the groom, was best man, and Lloyd Ward was usher. Mrs. Jack McFadden was organist.

Following the ceremony, a reception was held at the home of the bride's parents, at which Rev. Frank Hardy proposed the toast. Later the happy couple left for a motor trip through parts of the States and Canada.

The W.C.T.U. will meet in the United Church on Wednesday, June 6 at 2 p.m.

The White Rock Branch of the Canadian Arthritis and Rheumatism Society, held their regular meeting on May 28 at the White Rock Hospital. Guest speaker for the evening was Miss Anne Bashall, Head of the Occupational Therapy Department, B.C. Division of C.A.R.S.

Miss Bashall spoke on the physical and social aims in bringing Arts and Crafts instruction to arthritic patients, and exhibited specimens of work made by these patients, including basketry, pottery, metal work, rug-making and weaving.

A new committee, headed by Mrs. Betty Heard, has been set up to look after the domestic needs of patients, such as ironing.

Eighteen members of the White Rock Rotary Ann Club motored to the home of Mrs. Rene Bourassa, Pacific Highway, on Tuesday night for their monthly meeting. Co-hostess for the very pleasant evening was Mrs. Doreen Harvey. Plans were laid for setting up committees to work in conjunction with the local Rotary Club on their juvenile delinquency project. Dr. H. K. Kennedy, Director, Boundary Health Unit, addressed the group on the great need for more understanding of the problems confronting parents of retarded children. The next meeting of the Rotary Ann will be held at the home of Mrs. May McPherson, Terry Road, on June 26.

Prize winners at the Bursary Card Party held by the

Ladies' Auxiliary of the Canadian Legion Branch 8, were: Whist, Ladies, Mrs. M. Henderson; gents, I. C. Buckland; consolation, Mr. H. Holland; bridge, Ladies, Mrs. A. E. Doss; gents, Mr. A. Flavell; consolation, Mrs. M. McElhinney. Door prize was won by Mr. S. Thompson.

Surprise Shower Honours Bride-to-be

A beautiful twin cake made by Mrs. Jack Todd in the shape of two blue wedding bells centred the pretty refreshment table on May 23 when a surprise shower was given in honour of Miss E. Beasley. Entertainment for the bride-elect, whose marriage takes place on June 9, was Miss Connie Whittle at her home on Pacific Ave.

Twenty-five guests were in attendance and a gaily-decorated pink and blue basket, full to the brim with lovely gifts, was presented to Miss Beasley. A beautiful red carnation corsage was also presented by the hostess to the honoree. Games were played and prizes presented to the winners. Helping to serve refreshments were Mrs. A. Whittle, Mrs. D. J. Kendall and Mrs. J. Todd.

RECIPE OF THE WEEK

A good dish for a busy or a warm summer day is one of the casserole variety. Cooking is bound to be something of a chore with the sun and sand calling everyone out to enjoy the great outdoors. So it's a good idea to simplify meal-getting as much as possible. Occasionally, therefore, let an obliging casserole be your silent helper. Many people find it convenient to make a casserole dish early in the day, store it in the refrigerator and then pop it into the oven half an hour or so before dinner is to be served. Whether you adopt this practice or not, here is a recipe given to me by Mrs. F. M. Clement of Ocean Park I can recommend. One of her husband's hobbies is crab fishing and maybe that is one reason why this is a favourite recipe of Mrs. Clement who finds time to take a very active interest in the Coldliff Hospital Group.

CRAB CASSEEROLE

- 1 cup medium white sauce
- 1 egg, beaten slightly
- 1 cup flaked crab meat
- 2 tablespoons tomato ketchup
- 1/4 cup finely-chopped green pepper
- 1/2 teaspoon salt
- 1 teaspoon chill powder
- 2 hard-boiled eggs, chopped
- 1/2 cup bread crumbs

Stir white sauce into slightly beaten egg. Combine crab, ketchup, seasoning, chopped egg. Put in greased casserole, sprinkle top with bread crumbs and dot with butter. Bake in oven 400 degrees until nicely browned. Serve immediately.

Shapely Middy

By GRACE THORNTON
The middy dress is still with us as can be seen from this very new version, a nifty two-piece. The fabric is medium blue rayon linen and the torso blouse is handed in darker blue and black. The sailor collar dips to a V in back and the blouse is seamed to show the figure and not hide it as so many of the middy types do. The skirt is straight and narrow. Fine for general wear, youthful and nicely neat.

Summer Visitors Asked To Take Dogs and Cats Home

By Louise Hastings.

With the season of "going to the beach" upon us, there will be transported, no doubt, some very cute kittens, and some darling doggies — puppies, really. But in September what happens? Ask the SPCA. That is their busiest month, especially in White Rock. Telephone calls reporting that the family which has been staying at such-and-such an address has left behind their kitten, now a gangly half-grown cat, lonesome and bewildered at being left so very all alone. Then more similar calls about somebody who has left the dog-that-was-a-pup in the Spring. Now he sits forlornly and howls, and upsets garbage cans because he is hungry.

If there is one angle that should appeal to all parents' hearts, it is this: Would you forego your youngsters and leave them to shift for themselves at the age of six or seven years? What would you think of parents who would do such a thing? Okay, so now you have the opinion of Mrs. Mother Dog and Mrs. Mother Cat.

If you bring a dog or cat to the beach, take it with you when you go back home.

To Head C.W.L.

At the May meeting of the Catholic Women's League the new executive installed was: President, Mrs. Kay Langlands; 1st vice, Mrs. E. Lumley; 2nd vice, Mrs. R. A. Waterman; 3rd vice, Mrs. S. Scott; secretary, Mrs. A. Page; treasurer, Mrs. A. Townsend. The three councillors are Mrs. E. Mahr, Mrs. Stang, and Mrs. Currie.

The C.W.L. are planning a pot luck lunch for the ladies and children of the parish on June 13 at the Peace Arch. A Strawberry Tea is also slated for June 27.

Immigrants Receive Family Assistance

The Department of Citizenship and Immigration is now accepting applications for Family Assistance from eligible immigrants and returning Cana-

dian citizens. Hon. J. W. Pickersill, Minister of Citizenship and Immigration, has announced.

An amount of \$5 per month, beginning April 1, 1956, will be paid on behalf of each child of an immigrant or of a Canadian citizen returning to live in Canada permanently, until such child has reached 16 years of age or has lived in Canada for 12 months.

In the Garden

By G. E. Sory, Garden Editor.

HERBACEOUS PERENNIALS AND BIENNIALS

one, as the gardener has a better control over the seedlings, is to sow the seeds in flats, or shallow boxes. Use some good garden loam, peat or leaf mould and sand in equal proportions. Fill the flats three-quarters full and press down level with a piece of flat wood, sow the seeds thinly and cover with a very light sifting of the same soil. Place the flat in a shaded cold frame, with the

lights only partly on, water with a fine rose on the can, and cover with a piece of newspaper till the seedlings emerge. Or the flats may be placed in a sheltered shady position. As soon as the third or fourth leaves appear, the seedlings should be pricked out in fresh boxes or flats, or in rows in the nursery garden and kept hoed and watered. In the

Autumn they can be planted where required in the borders. Chief among these herbaceous plants are Delphiniums, Lupinus, Pyrethrum, Hollyhocks, Dianthus or Pinks, Sweet Williams, Panicle, Violets and Wallflowers.

HERBACEOUS PLANTS

The question of winter constitutes a herbaceous plant often gives trouble, not only to the average gardener, but to exhibitors and judges. Popularly speaking, herbaceous plants only comprise those which have stems that die down yearly, but have perennial rootstocks which retain life during the "resting period."

In ordinary gardening practice the term "herbaceous flowers" is exceedingly indefinite in its application, and nothing is commoner than to hear all hardy plants of perennial character which are not truly shrubby, called herbaceous plants. Sub-shrubs are frequently included, and, in many instances, plants of biennial duration are ranked with true herbaceous plants. This broader view is the more useful for the garden, although if a strictly botanical view of the meaning of the term "herbaceous" were adopted, annuals, as well as biennials and perennials, would have to be included.

Without attempting to minimize the beauty and usefulness of the many other lovely things of different habit among the annuals and true shrubs, it cannot be denied that the herbaceous plants of perennial growth possess many advantages, especially over the annuals. They live from year to year, and their annual re-appearance is looked for with eager expectancy. The hardier plants in particular are, in the case of the more robust species, apart from the Alpines, of very easy cultivation, and can be grown in almost any good soil.

Their uses, too, are manifold, and their characters varied in the extreme. They lend themselves to formal gardening, to the requirements of the wild garden, or to decorate the slopes and stones of the rock garden. Some do well in pots in the greenhouse and conservatory, and others come in to grace the window of a room.

Their numbers are too great to particularize, and any list of reasonable length of the best genera included under the designation of "herbaceous plants" would be far from complete.

The Fraser Valley Regional Library serves 7,291 students in 33 elementary schools in School District No. 36.

F.O.E. Auxiliary Mark Fourth Anniversary

The fourth anniversary of the local Auxiliary to the External Order of Eagles was observed on Wednesday, May 23 in the Sunnyside Hall. Forty members of the Vancouver Auxiliary were guests on the occasion.

Installations for the incoming officers of the local Auxiliary will be held in the Sunnyside Hall on June 13, it was announced. Officers of the Maple Ridge Auxiliary will do the installing and members of the Abbotsford group will be guests for the evening.

Mrs. Jean Stanglands is in charge of all arrangements for the installations and refreshments.

Officers to be installed are: President, Mrs. Margaret Stang; Vice-president, Mrs. Ethel Davis; secretary, Mrs. Laura McLeod; treasurer, Mrs. Dot Langdon; chaplain, Mrs. Margaret Cosens; conductor, Mrs. Rhoda Audette; Inside Guard, Mrs. M. Keeper; Outside Guard, Mrs. M. Elnor; trustees, Mrs. Velma Drayton, Mrs. Edith Dinmore and Mrs. Isabel Ardell.

Going out president who will become the Junior Past President, is Mrs. Marion Dinmore.

Three Painting in Park Classes this Summer

The new organizer of the popular painting in the Park Classes, David Buhr, hopes to have sufficient enrolment for three classes this summer. Meetings will be in three separate localities, in order to reduce the distance children will have to travel for the classes, he told members of the local Parent-Teachers' Association on Wednesday night. Registration will be handled through the schools.

The meeting was chaired by PTA President P. Williamson, and Mrs. J. Shaw acted as secretary in the absence of Mrs. A. Mitchell.

In his address to the PTA, Mr. Buhr dealt with the larger subject, Art in the Elementary School. He pointed out that the primary aims of such classes are: to teach appreciation of the beauty about us; to give the joy of creation, and to give the discipline of learning some of the skills in art.

By means of an excellent sequence of slides, the speaker showed the results of such training.

DENTAL CLINIC REPORT

Mrs. Young reported a successful Tag Day for the Dental Clinic thanks to the help of the senior High School girls. With the \$75 donated by the PTA her committee hope to be able to meet the expenses for the remainder of the dental appointments.

Mrs. Bame Young was nominated chairman of the Fall Fair, committee to be set up as soon as possible.

Mr. W. Davidson reported more generous supplies for the elementary schools will be provided by the School Board for next Fall, such as library

books, playground equipment, record players, a typewriter and piano repairs.

Because of this it is expected that some of the load of supplying items of this sort will be removed from the PTA.

Reidville Gardeners

Hear Tom Barber

Tom Barber, well-known garden expert, was judge and guest speaker at the May meeting of Reidville and District Garden Club. Many questions were asked, particularly regarding trees, shrubs and plants suffering from last Fall's early frost. Mrs. C. Collins conducted the meeting in the unavoidable absence of the president, Don Howard. Mrs. J. Hunter of Nottingham, England, who is visiting with her daughter and son-in-law, Mr. and Mrs. Sandy Taylor, were accorded a warm welcome. Mrs. I. Cant received highest points in the parlour show for an exhibit of purple tulips.

Mr. and Mrs. A. Hall and family spent the holiday weekend on Vancouver Island.

Mr. and Mrs. T. Wilson, Ewenson Road, together with their family, visited Portland during the holiday weekend.

Peace Arch W.I. Hear Talk on CARS

Mrs. J. D. MacMillan, of White Rock, was guest speaker at the Wednesday, May 23, meeting of the Peace Arch Women's Institute, held in the Canadian Kitchen.

Speaking on the work of the Canadian Arthritis and Rheumatism Society, Mrs. Mac-

Millan pointed out the need for a central meeting place for patients to carry on weaving and other handicraft activities. There was also a great need for more people to volunteer to visit patients confined to their homes, the speaker said.

Mrs. T. Barrett, President of the Peace Arch W.I., was hostess for the afternoon.

MILES OF GAS PIPE

Looking for all the world like the gun barrels for a "Big Bertha," miles of 30-inch pipeline are constantly moving over Canadian Pacific lines on a long journey from their origin in Utah, bound for a sea voyage to Squamish. The mainline pipe for natural gas will run 650 miles from the Peace River block to Huntington, B.C., near the U.S. border. The pipeline is built by Canadian Bechtel, Ltd., for Westcoast Transmission Company, and will carry natural gas to British Columbia centres and points in the Northwest States.

Sunnyside Garden Club hear talk on Gladiolus

The next regular monthly meeting of the Sunnyside Garden Club and Parlour Show will be held in the Sunnyside United Church Hall on Friday, June 1 at 8 p.m. A guest speaker is expected. Very much appreciated was the talk given by Mr. Jack Tucker, at the May meeting. He chose as his theme, "Gladiolus," a subject on which he is an authority. The number and quality of the exhibits coming in to the Shows has so far been very encouraging and all members hope for the continued success of these Parlour Shows.

Mr. and Mrs. Leonard Hannusch and son Allan of Sunnyside attended a family dinner at the home of Mrs. Hannusch's parents, Mr. and Mrs. F. Granbois of White Rock. The entertainment was in honour of Mr. Granbois' sister, Mrs. Grace Nobel of Los Angeles, California. Others present were Mr. and Mrs. Paul DePauw and children, and Mr. and Mrs. Nathan Granbois and sons of Vancouver.

The Crossroads Group of White Rock Hospital held their May meeting at the home of Mrs. F. H. Pickering. There was a good attendance.

Mr. and Mrs. Walter Herman and their little son have been visitors to Sunnyside, having motored down from their home in Quenest, B.C.

Wm. Armstrong made a trip down to his home at Sunnyside over the Victoria Day weekend.

The Eagles Girls' Band, which made their initial appearance at the Rodeo in Cloverdale journeyed to Crescent Beach last Saturday to add colour to the splendid parade at the crowning of the May Queen. Bandmaster G. R. Currie has great hopes for these young folk who he says are being very conscientious both in their attendance at the band sessions and in their home practice.

Guest From England To Summer In Ocean Park

Mrs. Scott of Manchester, England, has arrived to spend the summer with her sister-in-law, Mrs. J. Black, Lowewood Road.

Mrs. J. R. Stubbs entertained the Life Members of the W.A. of the Anglican Church living in the district at luncheon on Tuesday.

Mrs. A. McKiegan entertained at a beach party for children

on Friday in honour of her son Billy, who was celebrating his eighth birthday anniversary.

Mr. T. Hindmarsh presented the prizes at the card party in the hall on Friday night in the absence of the president, D. V. Welch. The winners of first prizes were: U. Urn, Ivor Brown. Consolations went to Mrs. T. Watt and George Crox. The next card party will be held on June 8. It is expected that the new lighting system will be installed by that time and work on an addition to the hall completed. The regular monthly business meeting of the Association will be held in the hall on Friday night, June 1.

Sun and Sand Call Many Visitors to Crescent Beach

Robby Thurston with his wife and lovely baby Brenda, were at the Thurston's Sr. waterfront home over the weekend; also accompanying them were Mrs. Robby Thurston's sister and her two sons, Mrs. Robertson and Billy and Chris.

Mr. and Mrs. T. Rimmer left last week for a four-month visit to England. They left from White Rock on the Great Northern, took the Great Dome at Seattle, thence east to Chicago, and the eastern port where they were to board the *Ascania*.

Mrs. H. G. Wade has returned from a three-week visit with her sister at Mahana Beach, on Camano Island.

Mr. and Mrs. J. R. Lynch have moved into their new home on Sunnyside Road.

Mr. and Mrs. Grant of Sunnyside Road have visiting them Mr. Grant's parents.

The Misses Minnie and Mae Burpee spent the weekend in Vancouver with their nephew, Mr. Burpee Wickham.

Dr. and Mrs. John McLean and family were at home here Saturday and Sunday.

Mr. and Mrs. William Jones and their baby daughters visited their grandmother, Mrs. Jack Jones, recently.

Mr. and Mrs. A. Buchanan were visitors over the weekend.

Mrs. Ernest Haddon is visiting with Mr. and Mrs. Hanford McBride.

Mr. and Mrs. Sid Yorke returned to their home on McBride Avenue, after spending the winter in Vancouver.

Mrs. Morris of Agar and Kidd Roads, who has spent the winter here, has moved to her home in Vancouver.

Mr. and Mrs. Godfrey Bahr and their three sons visited Mr. Bahr's sister and brother-in-law, Mr. and Mrs. Tom Hallia.

Mr. and Mrs. Richard David-

son of Rosedale, were visiting Mrs. Davidson's mother, Mrs. T. B. Green.

Miss Vera Dowell spent the weekend at the waterfront home which she and Miss Doris Howe own.

Mrs. Connie Diersen visited with Mrs. Alice Smith, The Boulevard.

PANORAMA RIDGE AND COLEBROOK

Congratulations to Mr. and Mrs. Ed. Pinder on the birth of a little girl. Mrs. Pinder was the teacher in this district last year.

This Friday evening at 8 p.m. the Girls' Choir of Colebrook United Church Sunday School will present their closing concert, in the Church Hall. Special guests have been invited to assist in the programme.

The sympathy of all the neighbours is extended to Mrs. P. Richards in the passing of her mother in Ottawa. Mrs. Richards has just returned from a few days in the Capital city.

Mrs. C. B. Miles has returned from a holiday in Portland, Oregon.

Visiting with Mr. and Mrs. A. E. Owen on Beaubien Road is Mrs. Owen's cousin Miss M. Duncomb, of London, England.

Two little cousins were the centre of interest at a private christening on Sunday afternoon when Allan William, son of Mr. and Mrs. John P. Brown, and Wilfred Kelly Gordon, son of Mr. and Mrs. Wilf De la Mare were baptised. Rev. Frank Hardy officiating. Mr. and Mrs. John Brown were godparents for Mr. and Mrs. de la Mare's son, and Mr. and Mrs. de la Mare were godparents for Allan Brown. A reception followed at the home of Mr. and Mrs. John Brown for many relatives and friends.

Faculty of Dentistry Urgently Needed

The early establishment of a Faculty of Dentistry at the University of British Columbia has been recommended by Dr. John B. Macdonald in a 106 page report on dental education released today by the University.

Dr. Macdonald is Chairman of the Division of Dental Research, Faculty of Dentistry, University of Toronto, and Consultant in Dental Education to the University of B.C.

An annual graduating class of 40 dental students was recommended in the report plus an annual class of 20 dental hygienists to meet the present need for dentists in British Columbia.

"There is clearly a serious shortage of dentists in Canada. The population has increased by five million since the last of Canada's five dental schools was fully organized in 1928," he says in his report. There have been

no dental schools organized since that date, 1926.

There is an acute shortage of dentists in the rural areas of British Columbia, the report stated. The average annual increase of dentists is only 13—not enough to cope with the annual population increase.

Few Scholarships Available in Canada

One of the hottest subjects in Canada today is education. Early in March David L. Thomson, Dean of the Faculty of Graduate Studies and Research and Vice-Principal of McGill University, told a Montreal audience that in no major English speaking country is it more difficult for the child of a poor family to get a university education than in Canada. He estimated that 70% of all university students in Great Britain received government aid in the form of scholarships or grants compared with the corresponding Canadian figure of 14%.

School Referendum By Sept. Planned

A new \$2,800,000 school construction referendum is likely to go before the Surrey ratepayers next September, according to a decision made by the School Board last week.

In spite of a big programme of building, at present still incomplete, the heavy influx of families into the municipality has made it necessary to raise more funds for construction. There are still 80 classes on shift.

Trustee Mrs. Lena Shaw was appointed to the Municipal Traffic Committee by Board Chairman Len Shepherd. She will replace Trustee John Wardrop who finds it impossible to attend afternoon meetings.

The dangerous situation at the highway junction where students from both Simon Cunniff and Queen Elizabeth Schools walk on the highways to and from school will be among the first problems studied by the Traffic Committee.

M. Mathews, Board Secretary, reported that tuition fees are not being paid by some non-resident parents of children attending schools in the municipality. The fees are \$90 per year for elementary pupils and \$125 for High School.

It was decided that the Board would take steps to insure payment of all fees.

Douglas News

Mrs. Esther Crossfield, Park Drive, had the misfortune to injure her back in a household accident two weeks ago and has been a patient in the Shaughnessy Military Hospital. Her friends and neighbours send a cordial wish for a speedy recovery.

Mr. and Mrs. A. Gough, Park Drive, motored to Penitence last week to see a new grandson, born to their son and daughter-in-law, Mr. and Mrs. J. Gough.

Mr. Percy Salt, Boundary Road, is a patient in the White Rock Hospital. A daughter, Mrs. Walter Brown, of Calgary, has been a visitor at her parents' home during her father's illness.

Mrs. C. G. Wood of Winnipeg, who has been the guest of her mother, Mrs. Eric Johnston, Park Drive, will be leaving next week by train for the east. Mrs. Johnston will later join her daughter at their summer home at Kenora.

Mrs. H. H. Mendus, Boundary Road, is expected home on June 2, from her month-long visit to Hudson, Ontario.

Mrs. E. Johnston, Park Drive, is attending the Women's Institute Convention being held this week at the University of British Columbia, Vancouver.

Gov't Grants Offered For Centennial Events

A system of per capita grants to be made to all organized associations of the Province in the interest of stimulating local celebrations in 1968 have been announced by the B.C. Centennial Committee.

The Committee announcement made by L. J. Wallace, Victoria chairman, stated the grant had been approved by the Government and funds would be made available with the commencement of the new fiscal year in April, 1967.

Through the grant plan the Committee will make available to all communities which establish properly-constituted local centennial committees an amount of 40¢ per capita to be administered by the local committee as an aid in meeting the expenses of the local celebration. The local committee will be required to submit a tentative general programme of celebration to the B.C. Centennial Committee.

A further grant not to exceed 60¢ per capita will be made to each community under the following conditions: If the local committee shall have submitted

for approval to the Board of Directors of the Centennial Committee specifications of a centennial project for their local area of lasting value and significance to the community and if the local committee has collected or indicated its ability to collect a sum of money to be spent on the project the Centennial Committee will match this amount dollar for dollar up to the maximum of 60¢ per capita.

The size of the grants will be based on the 1956 census and in the case of unorganized territories local centennial committees which might be elected at public meetings called for the purpose of appointing such committees and attended by a representative of the centennial committee will be recognized as qualifying under the grant programme. The pooling of grants will be encouraged in communities which join each other.

LOCAL COMMITTEES
Full details of the grant programme are contained in letters which this week were forwarded to all cities, municipalities, and villages throughout the province. The letters suggest

that the local councils should take the initiative in appointing local celebration committees and urge that the action be taken early in order to ensure a long range planning for the observance of the centennial year in 1968.

"We feel that this system of grants will provide the necessary impetus for every part of British Columbia to participate in the centennial celebrations and we hope that it will receive unanimous response from the municipalities," said Mr. Wallace. "The success of the Centennial Celebration will be in direct ratio to the enthusiasm of the celebrations in local communities and we hope this grant plan will provide tangible evidence of the desire of the Centennial Committee to assist."

Hosp. Administrator Goes East For Course

The Administrator of the White Rock and District Hospital, Ray Williams, for the second time has been successful in obtaining a bursary from the Department of National Health and Welfare and the Kellogg Foundation. This bursary is granted to complete the final year of the Canadian Hospital Association course for Hospital Administrators. Mr. Williams will be attending the Western University of London, Ontario. He flies east on June 2, by T.C.A. The Hospital Board has granted leave of absence for one month, which is the length of the course. Mr. Jack Simons, the Hospital Accountant, has been appointed as Acting Assistant Administrator during the absence of Mr. Williams.

Among Hospital Administrators from British Columbia, who will be attending the Western University of Ontario and finishing the final course, are Major Muriel Everett of Grace Hospital, Vancouver; Sister Priscilla Marie, St. John Hospital, Vancouver; Mr. J. B. Thompson, Coquitlam Indian Hospital, Saida; and Mr. Peter Hodge, Terrace and District Hospital, Terrace.

New Water Area Survey Asked

Utilities Superintendent Harvie will be asked to make a survey of possibilities for setting up Shephers Road between King George Highway and Campbell River Road as a water area.

J. Laird headed the delegation which presented a 35 name petition, asking for water to be supplied.

Another water hungry area at the west end of Grandview Heights had a delegation stating that people had to carry water over half a mile and want Grandview system extended to include their district.

It was pointed out residents had previously turned down an offer of \$85 per resident to extend the system but it would cost much more than that now. J. Scanlon, heading the delegation, was asked to obtain names of all who want water so the Public Utilities Superintendent can estimate cost of delivering water as soon as it is available.

Eighteen signatures were on the petition covering 2500 feet of the area.

Vanishing Horse

The farm horse is disappearing from the Canadian scene at the rate of about 50,000-90,000 animals a year. But, says The Financial Post, he is becoming more valuable. Dobbins were worth an average \$79 a head in '54, but \$91 last year.

Our current horse population; 901,000, most in Saskatchewan (206,000) and Quebec (106,000).

Atom Tests Ban Urged

An appeal urging a stop to test explosions of atomic weapons has been endorsed by 7,467 men and women in British Columbia, B.C. Peace Council announces.

Addressed to all Members of Parliament, the appeal asked that Canada should work for an international agreement to end these dangerous explosions at once.

Majority of the signatures was collected in a one-day canvass in Vancouver.

FIELD and STREAM

By ALAN CALDWELL

For the past week, the fishing locally, has been rather poor; however Steelhead fishing should improve as reports are coming in from other points of catches up to 5 lbs. As soon as the waters recede, the cutbanks in the Campbell River will be exposed, and it is here that the Steelhead lie in wait for their prey, the small fish.

A local sportsman reported a nice catch of seven fish at Lake Kawkawa, near Hope, last week; and there were reports of Rainbow Trout weighing from 5 to 15 lbs. being caught at Shuswap Lake. The Spring Salmon were being attracted by a Tong Mack No. 3 or Gibbs Stewart behind a dodger, at Gibsons and Horsehoe Bay. With reports like these, we should be having similar catches here in the White Rock District.

THE CHURCH SPEAKS

HOW TO GET RID OF YOUR PASTOR.
(From the Christian Century.)

A method of procedure suggested by Bishop Gerald Kennedy.

1. Look your preacher straight in the eye when he is preaching, and say "Amen" once in a while. He will preach himself to death in a few weeks.

2. Put him on the back and brag about his good points. He will work himself to death.

3. Start paying him a living wage. He has probably been on starvation wages so long he will eat himself to death.

4. Re-dedicate your life to Christ and ask the preacher to give you a job to do. He will be so surprised he will probably die of heart failure.

5. Get the Church to unite in prayer for the preacher. He will become so effective some larger church will take him off your hands.

Funeral Rites Held For C.N. Foreman

Requiem High Mass was celebrated on May 22, in the Star of the Sea Church by Rev. J. Franks, for Alexander Nowell Smith who passed away on May 18.

Born in Yorkshire, England, Mr. Smith came to Canada in February, 1911, and took employment in the Grand Trunk Railway Transcona Shops as a machinist. In 1915 and 1916 he was in Russia, employed by the Canadian Government building railway lines near Vladivostok. Returning to Canada he joined the Canadian Northern Railway at its Fort Rouge shops and in 1919 he was transferred to the Transcona shops. In 1923 he was promoted to unit foreman and in May 1935 became foreman of the CNR frog shop.

Mr. Smith retired on pension after 35 years of service. He came to Vancouver to reside seven years ago and for the past three years had resided in White Rock on Thrift Ave. He was a member of the Transcona Lodge 484, I.A.M., and of the Court Osborne Lodge, I.O.O.F. He is survived by his wife in White Rock, one son, A. J. Smith, Bellingham, and three grandchildren.

Well-known Sullivan Resident Passes

John Wellington Gibson, of 6279 Johnston Road, Sullivan Station, age 64, passed away at the Fraser Mills, May 24, 1966.

Survived by his loving wife, two sons, Chester, New Westminster, Lorne, White Rock; two daughters, Mrs. William Eaton, Santa Monica, California, Mrs. Roy Travis, Sullivan Station; four grandsons, one sister and two brothers in Saskatchewan.

Before coming to Sullivan to reside, Mr. Gibson farmed at Cupar, Saskatchewan. He was active in the United Church for 28 years and up to the time of his death was employed at the Fraser Mills as a grader and stenciller.

Funeral service was held from the Cloverdale Chapel of S. Bowell & Sons to Surrey Centre, Rev. R. M. Warne, officiating.

Funeral Rites Held for Community Worker

A well-loved White Rock resident, Benjamin Johnson Ball, 1264 Merklein Street, passed away at his residence on Wednesday, May 23. Secretary of Zone 2 Ratepayers and for some time acting president, Mr. Ball worked diligently for betterment of White Rock's facilities and did much to promote progress in his immediate area. An active member of the parent body of Ratepayers, Mr. Ball was a willing worker on committees on which he served. He was a World War I veteran having joined the CMR's in Saskatchewan at the age of 18 serving with the 3rd Division in France from 1915-18.

He was born near Hartney, Manitoba, and moved to Brandon at an early age, later moving to Kerrobert, Saskatchewan. Following his war service he settled in Vancouver where he joined the staff of Mac and Mac Ltd. as a clerk, a position he held for 30 years.

Mr. Ball is survived by his loving wife at home, two daughters, Mrs. C. J. Lewis, New Westminster, and Miss Gladys Ball, Vancouver; one brother, Frank at Kerrobert, Sask., and one sister, Mrs. H. G. Selman, Vancouver.

Funeral service was held Friday, May 25 at 2 p.m. from Chapel Hill Funeral Parlour. Cremation followed.

Death Takes Veteran Of Two Wars

George C. MacLean, Vancouver; Stuart MacLean, Chatham, Ont., and Charles MacLean, Winnipeg; sisters, Mrs. Elsie Grant, Peterborough, Ont.; Mrs. Annie Shortreed, Toronto; Mrs. Isabel Hunt, Winnipeg; and Mrs. Dorothy Bures, Calgary. The deceased was a veteran of the South African War and World War I and II.

The funeral service was held Thursday, May 17 at 2 p.m. in Nunn & Thomson Chapel, Rev. George Turpin, D.D., officiating. Cremation followed.

J.C. Ettes Play Hostess To Advisory Council

Holding their annual dinner meeting for the first time in White Rock, the Lower Mainland Advisory Council to the J.C. Ettes met in the Silver Moon on Wednesday night, Mrs. L. C. (Peggy) Pincombe of Vancouver, who is this year's chairman of the Council, presided. Mrs. Gerry (Lois) Holt is vice-chairman. Mrs. Denny (May) Kerfoot, Gordon Avenue, White Rock, acted as chairman of the dinner committee.

Each club president in the Council area presented a report of the year's activities of her group, built around the theme, "Highlights and Pitfalls." Giving the report for the White Rock Club was President Mrs. Alex (Rhoda) Mitchell.

Delegates were present from the New Westminster, Vancouver, Whalley and Chilliwack Clubs.

T. W. "Tom" Christie New Harbour Board Member at N. West.

A White Rock man, T. W. "Tom" Christie, has just received official word of his appointment to the New Westminster Board of Harbour Commissioners. He was formerly chairman of the Alberni Harbour Board, which he is credited with originating.

Mr. Christie, who with Mrs. Christie came to make his home on Semiahmoo Avenue three years ago, says he had planned to retire when he came to White Rock but soon found himself only "semi-retired."

Announcement of his possible appointment was made three weeks ago but confirmation has just been received, said the new commissioner.

Mr. Christie succeeds veteran harbour commissioner, W. S. Gifford who has resigned after 25 years service on the board. He and Mrs. Christie lived in Port Alberni for 27 years. They are both members of pioneer New Westminster families and lived in the Royal City before going to Port Alberni.

They express themselves as "delighted with the climate of White Rock" and say they intend to reside here permanently.

Mr. Christie will take up his new duties shortly.

Council Again Presses For Federal Dyking Aid

A joint meeting is being arranged between the Council and Surrey's three dyking commissions to plan further action in seeking assistance from the Federal government to alleviate dyking and drainage problems. This will include Mud Bay, Colbrook and Surrey dyking districts.

For the last five years Council has been seeking assistance in a mammoth drainage programme to take water which now drains from the highland into the Serpentine and Nicomekl flats and divert it towards the sea. The project is beyond the ability of the municipality or the dyking districts to pay; but the Federal government has passed the buck to Victoria and the Municipal Council.

and small fruits and B.C. farmers are up against a situation unparalleled in B.C. farming history.

"There will be no hay in the Lower Fraser Valley next winter and if this erosion continues there will be no farmland left on the flats."

Provincial government has agreed to share 50-50 with the municipality in costs for a Prairie Farm Rehabilitation survey if the Federal government will carry the survey out. Charles E. R. Valls, Provincial secretary-manager, Federation of Agriculture, has agreed to assist in obtaining federal help.

Water Work Request Turned Down By Council

The request of White Rock Waterworks Company for increase in maintenance costs of \$25 for hydrants and \$9 for standpipes was referred back to the White Rock Fire Committee.

tee with the recommendation they offer the company \$20 a year for hydrants and \$5 for standpipes.

Councillors maintained this request is far out of line as water pressure is only half of that required by Fire Underwriters' standard. Many of the hydrants have been in for many years and are not up to date.

Company maintains that many additional hydrants have been installed due to population expansion, and they feel that they should have some remuneration.

Coun. J. D. Burrows suggested all hydrants should be flushed out four times each year to ensure free flow of water and that they should be maintained by the company.

George D. Scott, appearing for the Kinsmen, said Civil Defence officials are not satisfied with the present building for their purpose and his organization is prepared to spend \$2000 to convert it to a comfort station and beautify the grounds.
